Portable Powerhouse Unmatched Efficiency

A4 Monochrome Laser Printer

safeG Series

Benchmk

| Auto Duplexing | High-Capacity | ID Card Printing | Cloud Printing | High-Speed Printing | Low-Consumption& High Efficiency | Secure Card Printing |

Coreadvantages

High-Speed Printing

47 pages per minute high-speed output, significantly boosts your office efficiency

High-Performance Processor

Equipped with a high-performance Quad Core Processor to ensure fast print output.

Intelligent Auto Power Saving

Memorizes output patterns, automatically checks output frequency in real-time, and adjusts the timing for entering power-saving mode; users can also customize the power-saving mode timing.

Standard Print Solution

Customized service with standard secure card printing; supports customization for compatibility with various operating systems.

Standard Large Memory

Comes standard with a large 512MB memory.

High-Speed Gigabit Ethernet Support

Gigabit Ethernet transmission allows for rapid processing of large files.

User-Friendly UI Environment

Features an easy-to-use operation panel with a Graphic Display (128*64 Pixel, 10 input keys, four-direction key), enabling direct USB printing (PDF and images) for greater convenience.

Mobile Print Environment

Supports AirPrint, allowing for printing from iPhone, iPad, and MacBook without additional drivers.

specifications

Speed 47 ppm	**First Print Out Time** 6 sec	**Duplex Unit** Standard	**Network** Standard
Resolution 1200×1200dpi	**Print Languages** PCL6, PS, SDAPL	**Paper Capacity** Auto: 500 sheets	**Paper Capacity** Manual: 50 sheets
Paper Capacity Max: 1550 sheets	**Memory** 512MB	**Output Paper Capacity** 250 sheets	**Processor** 800MHz(Quad Core)
Max Monthly Duty Cycle 120,000 pages	**DISPLAY** Graphic LCD 128x64 Pixel	**Dimensions** 383x386x305mm	**Weight** 12.7kg
Drum Starter Drum: 45,000 pages Standard Drum: 45,000 pages	**Supplies** Starter Toner: 6,000 pages Low-Yield Toner: 3,000 pages High-Yield Toner: 13,000 pages	**Optional Accessory** 500-Sheet Paper Tray	

REMAN

REMAN is derived from the abbreviation of "Remanufacturing." The combination of the REMAN logo and the Earth graphic reflects a global perspective while embodying the brand's commitment to sustainable development. It vividly conveys the brand proposition of "Green Cycle, Value Renewal" and represents Benchmk's steadfast commitment to green, circular, and sustainable office solutions.

sefeGprint—the print management expert (Standard Print Management Software)

aims to help clients solve issues caused by uncontrolled printing—such as paper waste, document security risks, and complex device management—through low-cost and lightweight deployment. It assists enterprise users in reducing costs, improving efficiency, and achieving high-quality development.
